2 v.

4 STATEMENT OF FACTS

5 The Complaint and Statement of Facts is being amended to
6 include additional packages of marijuana found on June 8, 2008.

7 On June 7, 2008, at approximately 1035 hours, Moises LARA-
8 Ibarra entered the United States from the Republic of Mexico at the
9 Calexico West Port of Entry. LARA-Ibarra was the driver, sole
10 occupant and registered owner of a 2007 Honda Accord bearing Baja
California, Mexico license AHG6049.

11 At primary inspection, LARA-Ibarra gave a negative Customs
12 Declaration and presented a valid Mexican passport with a valid
13 United States B1/B2 Visa to Customs and Border Protection Officer
14 (CBPO) L. Parker. The vehicle was referred to secondary inspection
15 after CBPO Parker received an Automated Targeting System (ATS) hit
16 when he entered the license plate.

17 At secondary inspection, LARA-Ibarra again gave a negative
18 Customs Declaration to CBPO S. German. During routine secondary
19 questioning, LARA-Ibarra stated that he was on his way to pick up
20 his grandmother in Calexico. CBPO S. Barela utilized his Narcotic
21 Detector Dog and an alert was given to the area of the rocker
22 panels.

23 Further search of the vehicle resulted in the discovery of a
24 total of fourteen (14) packages in fabricated compartments in the
25 rocker panels of the vehicle. A presumptive chemical test
26 indicated the contents of these packages to be marijuana. The
27
28

1 total weight of the fourteen (14) packages was approximately 14.90
2 kilograms (32.78 pounds).

3
4 LARA-Ibarra was advised of his rights per Miranda, which he
5 acknowledged and agreed to be interviewed. LARA-Ibarra stated that
6 he was the owner of the vehicle for approximately three months, but
7 that he had registered it about one month prior. LARA-Ibarra, who
8 stated his occupation as a lawyer, claimed that he had received the
9 vehicle as partial payment for defending two organized crime
10 members on drug charges in Mexico. LARA-Ibarra further stated that
11 he was on his way to home Town Buffet in Calexico to pick up his
12 girlfriend.

13 Computer queries by SA Christensen showed that the vehicle had
14 previously been subject to intensive inspection and search by a
15 Narcotic Detector Dog since it was registered to LARA-Ibarra on May
16 2, 2008 in Baja California, Mexico.

17 On June 8, 2008, Customs & Border Protection officers
18 discovered eight (8) additional packages concealed in the Honda
19 Accord. The package contained a green leafy substance which field
20 tested positive for the presence of marijuana. The additional
21 package contained 6.98 kilograms (15.35 pounds) of marijuana.

22 The total weight of the twenty-two (22) packages contained
23 21.88 kilograms (48.33 pounds) of marijuana.
